

Extend Accelerator

Do you have or are you considering Workday Extend? We help identify key opportunities to empower your business with speed and simplicity.

Harness the Power of Workday Extend

Ready to address your unique and industry-specific needs? With our fixed-price Extend Accelerator package, our certified and award-winning team of experts and architects will work with you to assess and build a business case over four weeks. We document your requirements, scope the effort, and provide a roadmap to rapidly and securely deploy Workday Extend so you can accomplish more.

Additional Extend Offerings

Accelerator+ Workshop

Intecrowd also offers an onsite workshop to introduce your team to Extend. Our hands-on workshop will provide you with the knowledge needed to understand and evaluate Workday Extend to fit your specific business needs. You'll learn from experienced professionals and gain practical experience in building an Extend application.

Elite Extend Partner

When it comes to Workday Extend, we are one of the elite few approved partners. We have a proven track record of innovative and award-winning Workday Extend solutions across a broad range of industries. Many of our Extend resources are certified cross-functionally and will help you realize the full value of your solution.
