

Workday Learning Quickstart

If you have Workday Learning, but haven't deployed it yet, leveraging your investment rapidly can help you.

You need a partner who:

- Makes Remote Training Easy
- Promotes Collaboration & Knowledge Sharing
- Develops New Skills
- Reduces Downtime
- Tracks and Monitors Learning
- Teaches Remote Work Skills & Paradigms
- Prepares the Workforce for Recovery
- Delivers Easy-to-Create Content

How we can help?

Intecrowd's Workday Learning Quickstart helps organizations implement Workday Learning efficiently. We provide streamlined setup that allows you to:

- Upskill employees and maintain compliance.
- Deliver essential training for new skills and processes.
- Provide employees with easy access to critical learning materials.

Our solution includes basic setup and configuration to get your company up and running with Workday Learning. We can also customize the deployment to fit your needs.

Learning Configuration Includes:

- Up to 3 Digital E-Learning Courses.
- Up to 3 Blended Courses with Scheduling.
- Up to 1 Campaign Event and Campaign Audience.
- Reason Codes for Drop Enrollments, Cancel Learning Enrollments, Cancel Course Offerings.
- Delivered Security Groups (Learning Administrator, Learning Instructors, Learners).
- Setup Learning Configuration on Edit Tenant Setup tasks.
- Configure Learning Dashboards and Reports (Learning, Learning Administrator, My Team's Management, My Library, Learning Trainer, Home).
- 2 Custom Reports (most common).
